

FLX Lacrosse – COVID Questionnaire

Each and every day before attending practice/games we ask that you review the attached list of questions and review with your child. This is not voluntary; this is a mandatory item that needs to be done for each and every player in the program to keep everyone around us safe.

1. Are you experiencing a fever or chills?
2. Do you have a new uncontrolled cough?
3. Are you experiencing shortness of breath or difficulty breathing?
4. Are you experiencing fatigue, muscle or body aches?
5. Do you have a new onset of severe headache?
6. Do you have a loss of taste or smell?
7. Do you have a sore throat?
8. Do you have congestion of a runny nose?
9. Do you have diarrhea, vomiting, or abdominal pain?
10. Has your child had close contact (as defined by the CDC) with a person that has tested positive for COVID 19 in the last 14 days?
11. Has your child traveled outside of south Florida in the last week?
12. Has your child had a fever of 100.4 degrees F or greater (when taken by mouth) in the last three (3) days?
13. Does your child currently have a fever?

If you answer YES to any of the above questions your child cannot attend practice/tournaments until cleared to do so. If you answer YES to any of the above questions it will be your responsibility to email flxcrabs@yahoo.com and let us know who your player is and what you have answered YES to so that we can reach out to and help get you cleared to be back on the field.
